

# SAVE THE MONTH

October 2002 is National Children's Health Month

Discover the Rewards!

The President's Task Force on Environmental Health Risks and Safety Risks to Children is pleased to announce that during the month of October, dozens of federal agencies and White House offices will join together to educate parents and children on 31 topics critical to children's health, including prevention of childhood illnesses, education and child care, safe cycling, school health, early childhood education, nutrition, parenting, infant mortality, mental health and much more!

A media kit with information on all 31 topics, one for each day of the month, and a **Discover the Rewards!** action step calendar will be mailed to you soon for developing stories for your September/October publication.

Look for the **Discover the Rewards!** package coming to your desk soon!
